A FEW DAYS AFTER THE CEREMONY
Everyone did a great job during the ceremony.
Today, you should take a break and enjoy yourselves.
Thank you very much.

Prince Kallum, please have this too.
It's fig jelly to go with your coffee.
Oh, it's my favorite dish.
Will you feed it to me?
Of course.
WE WERE ON A PICNIC AT AN OASIS.

My stomach is full of this sweet scenery.
Why haven't you eaten much of anything, Mishe?
What's wrong?
YEP,
I know he was just teasing, but...
Tch!
Come to think about it,
I'M THE ONLY ONE WHO FEELS SELF-CONSCIOUS
EVEN THOUGH THAT HAPPENED, LIKE ALWAYS,
since the ceremony, you've been tucking your hair behind your ear.
Heh!
It really suits you.
What?

SNEER
SNEER
Oh?
I just wanted to change things a little.
SHIFT
(Untucked it.)
There's no particularly deep meaning behind it!
Changing the subject, what is that book that you have been reading?
It has lots of information in it!
It's a desert survival guide.
WITH THIS, YOU'LL STAY ALIVE!
DESERT SURVIVAL GUIDE
For what reason?
Even though it's the desert, it rains several times per year,
and flash flooding in dry riverbeds can endanger travelers,
and?!

What?
It's only a coincidence, but I'm sorry.
Everyone, wait the rain out in that cave over there.
HEY, WHAT ARE YOU DOING, MISHE?!
IT'S BECAUSE YOU BROUGHT THAT BOOK WITH YOU!
REALLY RAINED.
AUGHHH! NOOOOO!

I said, I'm sorry!
Huh?
Well,
Why did you bring that, Mishe?
The snacks are soaked.
Oh no!
SPLASH

this way, the vegetation will flourish.
Only good things will come of this.

Oh.
THANK YOU, RAIN.
Ms. Corelle also came.
I don't know she came because of her cloak.

Prince Kallum!
The river surrounded the oasis.
The entourage is on the other side.
We're stranded here without them
This is the worst.
Pr-Prince Kallum, what's going to become of us?

Don't worry.
Stay close to me.
Oh!
The river will subside in a little while.
Everyone should relax and enjoy bathing in the oasis.
Y-yes...

Didn't I say not to worry?
I will protect everyone.
Aren't you someone who needs to be protected too?
I also worry about you,
so at least let me help you.
Earlier, you got wet protecting your wives.
I can protect myself.
I'm already dry.
...That wasn't a big deal.

PRINCE KALLUM IS ALWAYS LIKE THIS
HE ONLY DOES THINGS FOR OTHERS' SAKE
AND RARELY RELIES ON OTHERS
HMPH!
However,
there is some truth to what you said.
Okay, come with me.
FOR THAT REASON,
Ohh,
That looks useful.

Goodness.
GASP!
Tree climbing is impractical.
If you fell and got hurt, it would be quite a problem.
SAYS THE PERSON WHO KICKED ME OFF OF THE TREE!
WHY DID YOU STOP ME?!

Obviously because it's funny.
Just surviving isn't enough.
I know what I'm doing, so just keep me entertained.
Now then, next is fishing, yeah?

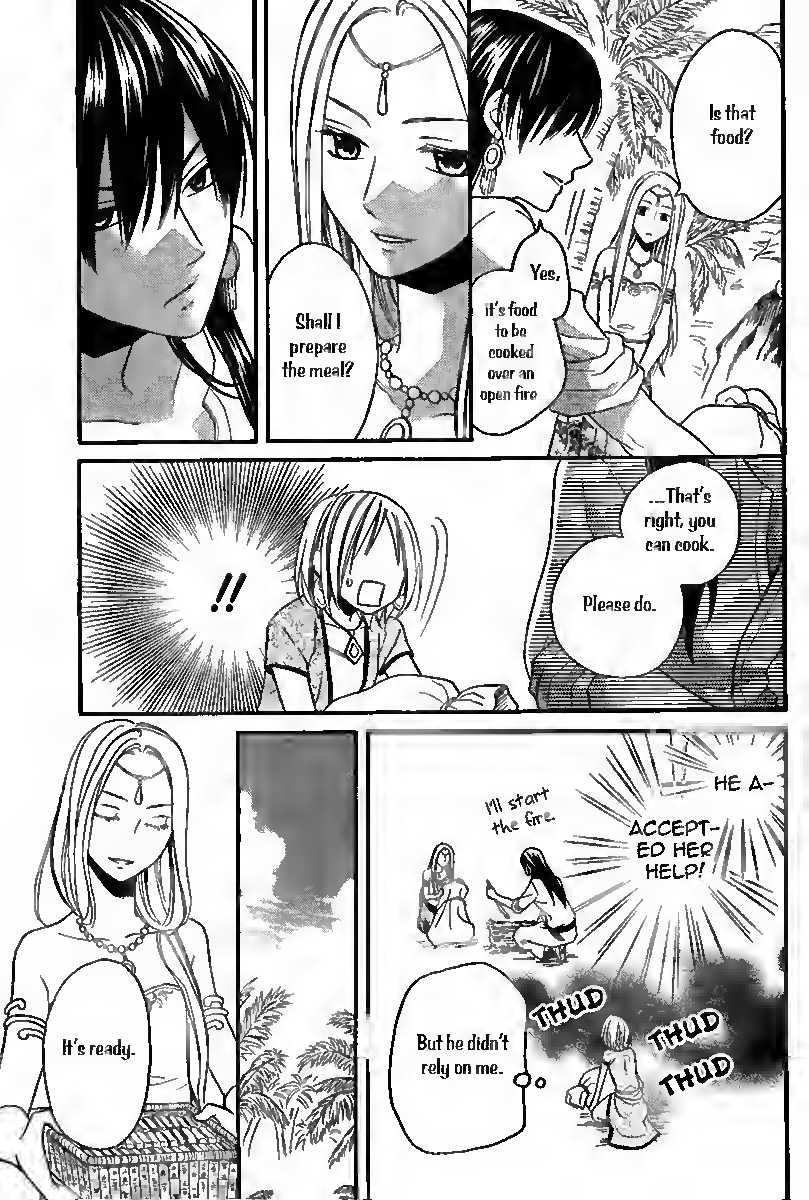
I wasn't useful at all.
I'm back!
Is everyone bathing?
Yes, they said they'll return before sunset.
A guard escorted them.
Welcome back.



Shall I prepare the meal?
Yes, it's food to be cooked over an open fire
Is that food?
!!
...That's right, you can cook.
Please do.
I'll start the fire.

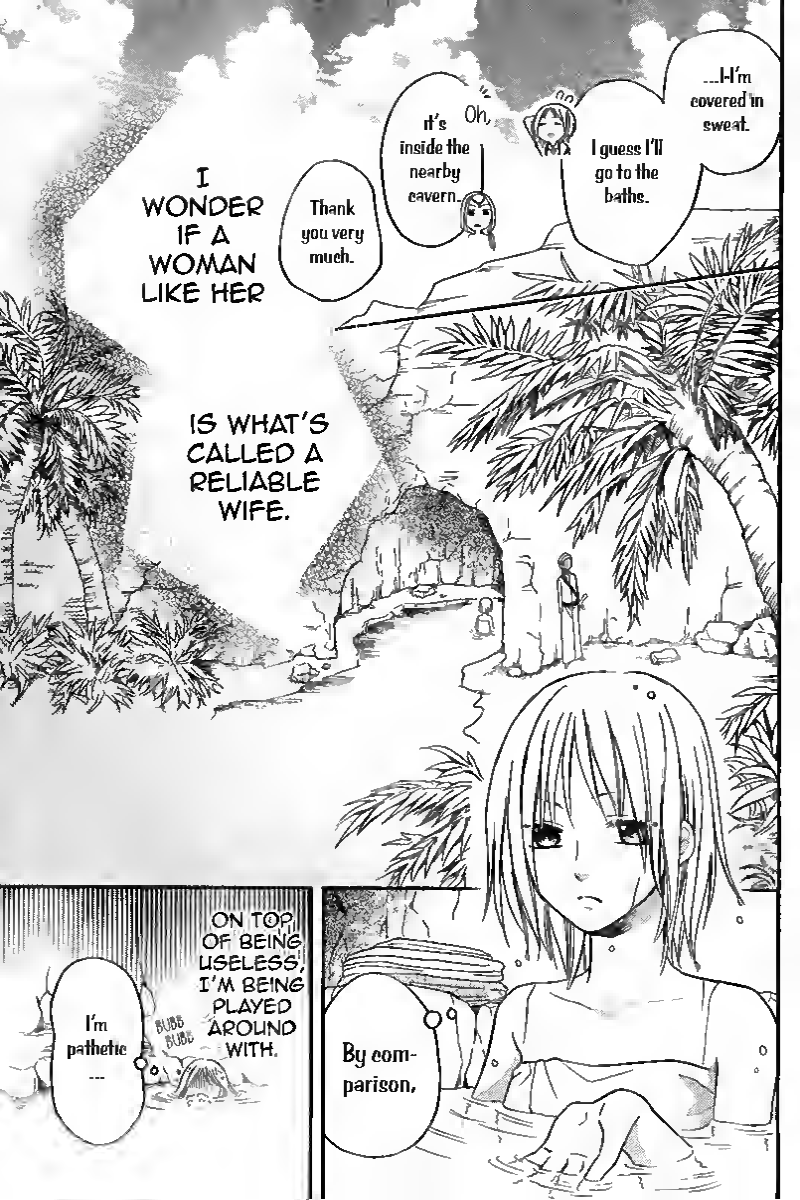
From those ingredients?!
I used the food everyone brought for snacks too.
Hmm, it's good.
Shall I sample the food to make sure there's no poison?

Did you put poison in the food?
Of course I didn't.
More importantly,
your wet clothes were hung.
They should be dry by now.
Ah, that was sensible.
I owe you my gratitude.
Oh my! Prince Kallum has returned.
Is everyone safe?
Yes.
We're fine.
We were refreshing ourselves at the baths.
You're called Mishe, yes?

I'm grateful for your help during the ceremony.
I'm sorry I didn't express my gratitude sooner.
N-no problem!
I'm sorry I threw the dress at you.
Haha, you're very honest.
...And, I apologize for thinking that you were a scary person.
There's no value in speaking to the likes of you.
During the ceremony
I was just disgusted by that woman's selfishness.
It is our duty to support our master after all.
SHE'S RELIABLE,
AND SHE DIDN'T FORGET TO THANK ME.



...H'm covered in sweat.
I guess I'll go to the baths.
Oh, it's inside the nearby cavern.
Thank you very much.
I WONDER IF A WOMAN LIKE HER
IS WHAT'S CALLED A RELIABLE WIFE.
By comparison,
ON TOP OF BEING USELESS, I'M BEING PLAYED AROUND WITH.
BUBB BUBB
I'm pathetic ...

...Yikes!

I can't believe it;
we're stuck inside...?!
The rain weakened the rocks.
Why are you so calm?!
Hurry, we have to dig our way out!
Prince Kallum, are you inside?
Are you a guard?
Tell my wives that there's nothing to worry about.
Calm down.
It's dangerous to touch fallen rocks.
Did you go check the river?
Most of the river has receded.
The reinforcements were informed that we were cut off and are on alert.
Then after the entourage has regrouped, remove the rocks.
Yes.

I'm s-
sorry, Prince Kallum.
Even though I said I would protect you and help you,
I haven't been able to do either. On top of that,
I've even put you in danger.
I'M USE-LESS.
I REALLY AM PATHETIC.
You're sighing because of that?
A natural disaster is not your fault.
At any rate, we'll patiently wait.
